A key feature of the pastoral system at Matthew Moss High School is our programme of personal, social and emotional development: "Learning for Life". Learning for Life Days happen throughout the school year and enable students to develop new skills including Year 8 attaining a First Aid Certificate to Beech Family creating a Public Service Campaign on Crime Prevention. Often learners tackle ideas such as sex and relationship education and equality in a safe and secure environment where they are not judged but can evolve and progress with their *"Learning for Life"*.

Day 1 and 2	**Day 3**	**Day 4**	**Day 5**
Families	Horizontal Staff choice	Families	Horizontal with Family Tutors
Head of Family	Seconds in Family	Head of Family	Seconds in Family + Careers
