HIGH SCHOOL**

Learning for Life

Dear Parents/Carers

Learning for Life Day Wednesday 14th March

Just to make you aware, I will be running the Year 10 L4L day on Extremism. As a school we are required to educate learners on such topics as part of our PSHE curriculum. Learners will be taught about Extremism in our Learning for Life day on the 14th March and GMP will deliver a session on this during the day.

As indicated in our Combatting and Preventing Extremism Policy, “Matthew Moss High School aims to safeguard young people through educating them on the appropriate use of social media and the dangers of downloading and sharing inappropriate material which is illegal under the Counter-Terrorism Act.”

Our core mission of diversity permeates all we do. We place a strong emphasis on the common values that all communities share such as self-respect, tolerance and the sanctity of life. We work hard to broaden our learners' experience, to prepare them for life and work in contemporary Britain. We teach them to respect and value the diversity around them as well as understanding how to make safe, well-considered decisions. As valued parents/guardians we feel it is best to share the days learning with you.

The day is an integral part of our PSHE curriculum and it will be lead in a sensitive way.

Yours faithfully

Miss D Parkinson
