*Learning for Life*

Dear Parents/Carers

### Learning for Life Day Wednesday 14th March

Just to make you aware, I will be running the Year 9 L4L day on Sex and Relationship Education. As a school we are required to educate pupils on such topics as part of the PSHE curriculum.

As indicated in our Sex and Relationship Education Policy, Matthew Moss High School believe that learners have an entitlement to learn about sex and relationships as part of Learning for Life. We acknowledge the vital role of parents and seek to support them through on-going consultation and ensuring that the policy reflects their views. We aim to meet the needs of all our learners and respond to the range of cultures and sexual diversity.

Due to the nature of the Learning for Life day the nature of the teaching groups is fluid depending on the topic being delivered. This allows for different approaches and topics to be discussed. Learners will therefore, be in groups of mixed gender and ages as well as single sex and aged groups.

The policy is available for you to view fully on our website click on the search

and type Sex and Relationship Education

The day is an integral part of complimenting our PSHE curriculum at Matthew Moss High School and it will be lead in a sensitive way. If you do have any questions regarding this please do contact me.

Yours faithfully
