

**MATTHEW MOSS  
HIGH SCHOOL**  
*Learning for Life*

January 2018

**Year 10 Parents' Evening Wednesday 24th January 2018**

Dear Parent / Guardian,

On **Wednesday 24th January** between 4.30pm and 7.00pm you are invited to meet your child's subject teachers. This is an excellent opportunity to discuss your child's progress and his / her report. Your child will help you by arranging appointments with their teachers.

**Parents' Evening** is an important event and one the school values very highly. Evidence shows that parents and carers have a major impact upon how well their children perform in school. Therefore the staff at Matthew Moss would very much like to see parents and carers to celebrate your child's achievements and help shape their future direction.

A report will be available for collection on the evening. Teachers will provide information about your child's strengths and areas for development. Your child should attend parents evening with you so they understand how they can improve and progress.

The evening will also give you and your child the opportunity to meet careers advisers and other staff from local colleges and post 16 providers. At MMHS we make sure learners get a chance to engage with employers, to build their broader understanding of workplaces and employment. With this in mind we offer Yr10's the opportunity to take part in the Work Experience Programme from 9th to 13th July 2018. Planning for this event starts early and information packs will be available during the evening; appointments with the careers team are required if your child plans to participate.

We look forward to seeing you.

Yours faithfully,

Mr Moorhouse  
Headteacher
