

Dear Parents/Carers of Year 11,

In order to meet the high demand for D6, and ensure that everyone remains safe, we are relaunching D6 as E6 on **Saturday 3rd October**.

E6 will run at the same time as D6; 9am until 1pm. Our coaches will work from within school and be supervised by staff. Your son/daughter will receive one hour of remote tuition, on a one to one basis with their coach, every Saturday. This bespoke one to one tuition, from a high performing A-level student, is proven to have a fantastic impact on the progress of our young people.

The coaching will take place through 'Google Meet' and a time slot will be sent via a calendar invite to your son/daughter's Matthew Moss Gmail account. Your son/daughter will require access to ICT in order to receive this tuition. Please let the school know if your son/daughter is unable to access ICT from home.

We ask that our coaches and learners follow the E6 Code of Conduct during E6:

- Attend your E6 session, on time, appropriately dressed, and prepared for your session.
- Your conduct whilst on your E6 session should be impeccable.
- Ensure that the background shot of your learning area at home is plain and non-identifiable.
- Remember to keep all dialogue based around the coaching and learning experience. Of course be pleasant, but keep professional.
- Each session is recorded for safeguarding purposes and will only be viewed by the Designated Safeguarding Lead, if needed. This will NOT be released for any other purpose.

Mr Glennie
Designated Safeguarding Lead/Deputy Headteacher

If you would like your child to be part of the E6 offer, and receive one hour of remote tuition, then please complete this [GOOGLE FORM](#) by **Wednesday 30th September**.

If you have further questions regarding E6 then please email cleachrogers@mmhs.co.uk.
