Learning for Life

Tuesday 26th September 2017

Dear Carers/Parents,

IMPROVING COMMUNICATIONS

In order to improve communications with you, we are going online and from now on letters will be few and far between.

Instead, we have invested in online systems to give you direct access to attendance, behaviour and progress information for your children, as well as the homework set for them.

The systems are very easy to use once you are familiar with them. To encourage you to get started, all carers and parents who log in to the system before the 1st October, using the three steps outlined overleaf, will be entered into a prize draw for one of three Chromebook computers to help their children study.

It is also critical that you log on to ensure that all your contact details, including email addresses and mobile phone numbers, are correct. This is vitally important to ensure that personal information is safeguarded.

If you require any help or support, then please do not hesitate to contact school.

Yours faithfully,

Mr Mark Moorhouse
Headteacher

1

Login to INSIGHT by visiting insight.mmhs.co.uk using the password

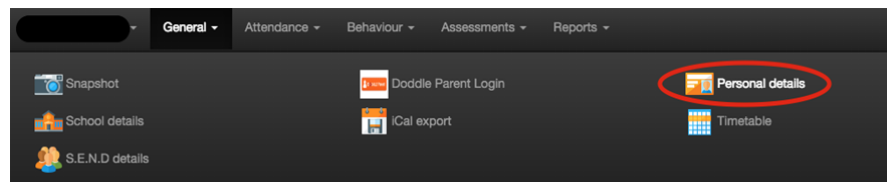

shown on the **peach** paper attached.

You will see a dashboard of information about your child including information about attendance, behaviour, achievement and curriculum.

Extra passwords are available on request for parents at different addresses. Please contact itsupport@mmhs.co.uk to arrange this.

2

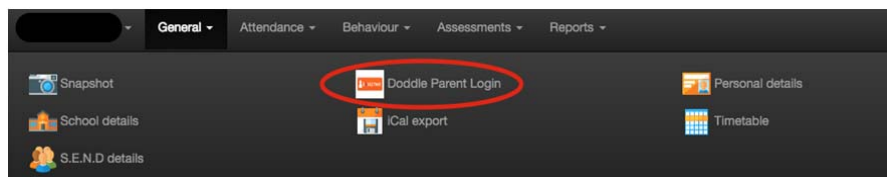

Now click on General -> Personal Details and make sure all data is correct. If not then please change it now.

It is **very important this information is correct** so we can contact you in emergency and keep in touch with you throughout the year.

3

Click on General -> Doodle Parent Login and login using the password on the **green** page attached.

This gives you access to our Home Learning and Progress information.
