

# PARENT FOCUS GROUP

Suggestion	Response
Great social media but would like newsletters.	We appreciate the feedback - perhaps we could look at the focus magazine again? We found that paper newsletters did not reach home and have opted for e-news.
Advertise at Castleton Library.	Appreciate the tip - I have asked our Joanne (marketing) to contact the library about this.
Community information sessions, not just exclusive to MMHS - timings 6.30 - 7pm.	Happy to host / lead information sessions - are you thinking these are around community issues or education issues?
Need to look at bringing back the rota system for lunchtimes.	The current system allows learners in years 7 & 11 access from 12.50pm with the remaining years from 1pm. Moving forward, as school grows, we need to look at how lunchtimes are managed with the possibility of split lunchtimes.
Parentpay - can't see what they are having for lunch.	To find this information login to ParentPay > Transaction History > Balance History > Select child > Select School Meal Service.
Year 7 tutor evening in October then Parents Evening around March.	This suggestion makes lots of sense - it has been passed to Mr Russell (Deputy Headteacher) for consideration when setting next years' calendar.
Look at rebranding review day.	Please could you explain more?
Transition - positive feedback re summer school and the coffee shop afternoon.	Great to receive such positive feedback - the team working on the events put a lot of time and energy into planning - so it's lovely to hear your comments.
